

# Homework Challenges

## Year 3 – Autumn 1

Hot

Research about the fossil hunter 'Mary Anning'.  
Write 15 facts about her amazing life.

Make a 'warning poster' showing what steps you would take in the event of an earthquake

Find out about the different types of fossils that can be found.  
Draw pictures and write about what animal or plant they used to be.

Medium

Make a model volcano

Draw and label a cross section of a volcano (what does it look like inside?)

Find out about the site of Pompeii – Where Mount Vesuvius erupted in AD79  
Write a fact file about the city and what has been found from over 2000 years ago.

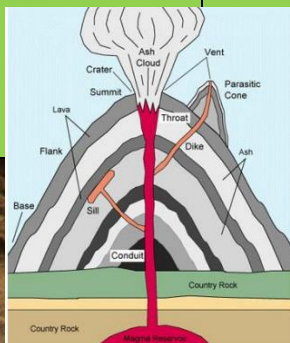

Draw and write about the different types of rocks  
What are igneous rocks, sedimentary rocks and metamorphic rocks?  
Can you find any examples of these rocks?

Mild

Learn the x2, x5, 10 times tables and then learn x3 and x4

Start to learn the Year 3 and Year 4 Statutory Words

What are fossils?  
Draw and write about how fossils are formed.

### Key Knowledge

There are three types of naturally occurring rock.
