Autumn 2

October 2020

Year 3

Things to Remember

Homework:

Is now uploaded to Seesaw. You can find the Topic Challenge Board on the website and app. Once you have completed your weekly challenge uploaded it to Seesaw. If you need any help using the site or app please see me.

Spellings:

Will be given out on a Friday and spelling tests will be on the following Friday. They will also be uploaded to Seesaw

PE:

Tuesday —indoor

Wednesday —outdoor

Reading:

Read every school night at home. Ask someone to listen to you and then ask them to sign your journal. These books help develop your fluency. Remember to chose books you enjoy reading too!

Times tables:

Practice learning your x2, x3 x4 and x5 and x10 this Autumn half term.

Welcome back to school and I hope you have all had a well deserved rest over the half term holiday and you are looking forward to the new topic.

This term's focus is the Stone Age to the Iron Age and our topic is called

'Woolly Mammoths and Courageous Folk'

There is so much to learn about that period of history, I can't wait to get going with learning about this exciting era.

Mrs. Travis

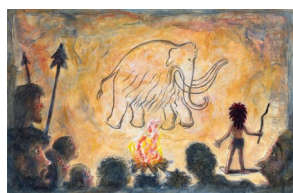

About the topic:

English:

The writing focuses this half-term are instruction writing and an explanation text. We will read the book 'How To Wash A Woolly Mammoth' and then we will write our own instructions about a different Stone Age animal! We will also use our history knowledge to write about the stone age.

Reading:

In class we will use 'Stone Age Boy' and 'The First Drawing. as our Whole Class Reading texts and read 'The Wild Way Home' as our class read.

Maths:

In Maths this term our focus is and Addition and Subtraction and 'Multiplication and Division'.

We will also continue the catch up sessions focusing on Fractions and 'Shape and Space.

Topic:

Our topic is focused around the period of time 'The Stone Age to the Iron Age'. We will learn about when this was, their way of life, how they lived, what they ate, how they hunted, how we know about these early humans and the village of Skara Brae.

We have lots happening this half term so lets have fun and work hard.

We also have to do the Science units 'Rocks and Soils' and 'Forces'

Remember to check the Year 3 class page on the school website for regular updates.

Important Dates:

Week beginning 9th November —Parent Meeting Phone Conversations

Please check regularly for important dates.
