

Autumn Term in Year 1

English

Our reading and writing this term will focus around our class text The Colour Monster Goes To School. We will be working on our basic letter formation, capital letters, full stops and finger spaces.

We will be continuing with our Little Wandle Reading scheme.

HOW YOU CAN HELP - Please read at least 3 times a week with your child. Please read to your child, this can be their library book or a book of their choice - they do not need to be able to read this book independently.

Maths

Our maths lessons this term will be focusing on place value, shape and calculation. We will be using our brand new power Maths scheme to complete challenges and practise our mathematics skill.

HOW CAN YOU HELP - Practise counting, number bonds and times tables with your child.

Geography

Our Geography work this term will consist of looking closely at our school. We will be learning the differences between human and physical geography. We will be comparing our school with a school in Kenya and recognising the similarities and differences.

HOW CAN YOU HELP - talk about the places near our school with your child.

Science

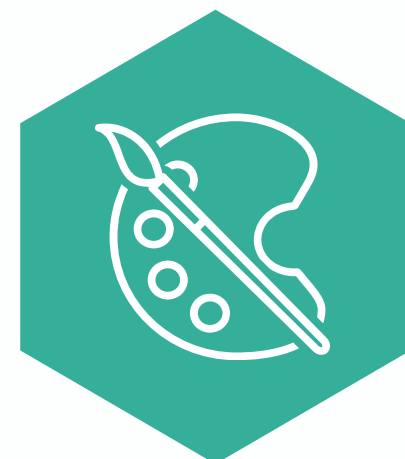

In our science sessions we will be learning about the human body, materials and completing observations on the seasons.

HOW CAN YOU HELP - talk about living things with your child and let them ask questions - as many as they like!

Art

In our art sessions this term we will be working on creating half and self portraits. We will be experimenting and playing with different art media.

HOW CAN YOU HELP - let your child colour, draw, paint, mark make and get messy!

PE

Our PE this half term will be gymnastics and basic skills such as throwing, catching and travelling.

HOW CAN YOU HELP - let your child play outside and run and jump and feel the fresh air!
