

Autumn Term in Year 3

English

Our reading and writing is based around Fantastic Mr Fox. The children will look to complete a piece of writing describing the settings of where the story is placed. They will continue to build on their knowledge from Year 2 by using expanded noun phrases.

HOW YOU CAN HELP - Please read at least 3 times a week with your child.

Maths

In Maths we will look at a variety of areas first, we are focusing on place value and will later look at addition and subtraction and also shapes.

HOW YOU CAN HELP - practice 3 and 4 time tables with your child and complete any allocated tasks on PowerMaths.

Geography

In Geography, we focus on the region of Manchester but also locate other cities from across the UK. The children will learn that there are both urban and rural areas in Manchester and will understand the similarities and differences between them.

Science

Our three main focuses in science will be Rocks, Nutrition and Diet and Skeletons. We will also look at movement and food waste alongside these areas.

HOW YOU CAN HELP - talk to your children about a healthy diet and what this may include.

Art

In Art we will be looking at exploring portraits and developing our drawing skills. Our Art work will be inspired by artist...

PE

PE will be with Harry on a Wednesday (outdoor) which will be dodgeball. On a Friday the children will be doing dance (indoor).
