

Autumn Term in Year 6

English

Our reading and writing this term will focus around our class text Holes. We will be reading the book as a class to develop our reading skills and complete a range of writing such as a setting description, a letter and a non-chronological report.

HOW YOU CAN HELP - Please read at least 3 times a week with your child. Share a book together and read a section each. .

Geography

Our focus is finding out about the wider world with a particular focus on South America. We will investigate time zones, use lines of longitude and latitude whilst finding out about the Amazon Rainforest.

We will then use this information to compare to the North West of England.

HOW YOU CAN HELP - Have a game of find the location using Google Maps.

Art

We will be developing our drawing skills to make observational drawings and will create our own self portrait. The artist which will inspire our art in Year 6 is Banksy.

HOW CAN YOU HELP - The children love 'Draw with Rob' why not try one together! !

Maths

We will build our knowledge of place value, the four operations of addition, subtraction, multiplication and division. From there we will look at fractions and measures.

HOW YOU CAN HELP - Encourage your child to recall ALL times tables and complete the allocated tasks on Power Maths (more info to follow)

Science

Our focus will be on living things and their habitats. This will involve looking closely at a range of organisms and classifying them. We will learn about classification keys to explore how we can use different ways to classify animals and plants.

HOW YOU CAN HELP - Sit and relax whilst watching any episode of the Planet Earth series. There are loads to choose from.

PE

Our indoor PE will be Fitness whilst our outdoor PE sessions with Harry will be cricket.

HOW YOU CAN HELP - Go for a family walk and talk about how a healthy body helps with a healthy mind.
