

## Our Activity Sacks

We have created a number of Activity Sacks for you and your child to select from, whenever you would like to. You will be able to take the sack home for up to 5 working days and enjoy the range of activities inside including crafts, writing, number work, imaginative play and much more. The necessary resources for each activity are also included so don't worry about having to do the extra shopping! Each Sack and related activities are based around a children's story, which will also be included for you to read and share with your child. The Activity Sacks are available in the entrance, just let any member of staff know which one you would like to borrow and they will sign it out. More Activity Sacks will become available if demand is high. Enjoy these special times with your child ☺

*Please bring Activity Sacks back in the condition you borrowed them in*
