Headteacher : Mrs J.Conway

19 June 2018

Dear Parents / Carers,

The School Council have decided to support two events over the next two weeks.

The first event is the Great Get Together which celebrates the work of the MP Jo Cox and working together as a community. On Friday 22 June, we will all complete the daily mile together. We will begin walking in one big group, chatting and enjoying the school grounds and then we are going to form a massive conga line!

The second event is a non-uniform day on Friday 29 June. We are raising money for the Annie Kenney Memorial Fund, for a statue to honour her work as a suffragette. Annie Kenney was from Oldham and her work helped women to get the vote. Children can come to school in their own clothes (no football shirts please) for a minimum £1 donation.

We have also asked all the teachers to make sure that every class has a lesson based on democracy and British Values to support both of these valuable events.

Yours sincerely,

Whitegate End School Council
