Spring 1

January 2020

Year 3

Things to Remember

Homework:

Is now uploaded to Seesaw. You can find the Topic Challenge Board on the website and app. Once you have completed your weekly challenge uploaded it to Seesaw. If you need any help using the site or app please see me.

Spellings:

Will be given out on a Friday and spelling tests will be on the following Friday. They will also be uploaded to Seesaw

PE:

Tuesday —indoor

Wednesday —outdoor

Reading:

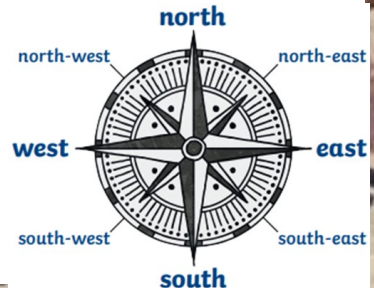

Read every school night at home. Ask someone to listen to you and then ask them to sign your journal. These books help develop your fluency. Remember to chose books you enjoy reading too!

Times tables:

Consolidate learning your x2, x3 x4 and x5 and x10 and begin to learn the x3 and x4 this Spring half term. Look out on SumDog for weekly challenges

Happy New Year to all of you. I hope you have had a lovely Christmas. Welcome back to school and I hope you have all had a well deserved rest over the holiday. This term's focus is geography and learning about Europe. The 'topic is called 'Road Trip—A European Adventure. We will learn about the countries and some of the cities, find and locate key places on maps and learn about the United Kingdom and its many counties and traditions.

Mrs Travis

About the topic:

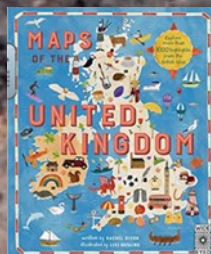

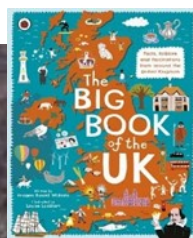

English:

In our English lessons we will re-search different key cities in Europe and write and produce leaflets to showcase these tourist attractions.

We will also write letters to a 'pen friend' to tell them about England and where we live.

Reading:

In reading lessons we will be reading the book 'The Iron Man' and completing follow up activities during our whole-class reading sessions.

Maths:

In Maths this term our focus 'Multiplication and Division' and 'Measurement: Money'

We will also continue the catch up sessions focusing on 'Statistics'.

Topic:

Our topic is focused on learning about Europe.

Can you name and label 8 counties in the UK?

Can you name and label popular cities in the UK?

Can you name at least 8 countries in Europe?

During this topic we will learn the compass points, key features on maps, where countries are and what their cities are. We will also compare other countries to ours.
