

My Learning Challenges

Your child will go on a tricky word hunt around the classroom. Once the children have found the word they will practice writing it.

Your child will create a teddy bear using split pins correctly to join different parts of the bear together.

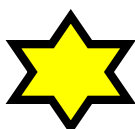

Your child will use their phonic knowledge to sound out words. They will decide if it is a real word or a nonsense word sort the words accordingly.

Your child will take part in a game where they will have to listen to clues and guess which toy is being described.

Your child will have to write a book review about their favorite story.

Your child will choose a digit card from 1-20 and represent the number in a variety of different ways using different resources such as numicon, lollipop sticks or pom poms.
