

My Learning Challenges

Your child will make a number track from 1-10 with numicon. Your child will then match the numbers to the words.

Your child will look at a selection of different teddy bears. Your child will order the teddy bears from the oldest to the newest.

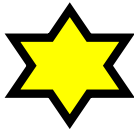

Your child will play a spelling game called Roll and Cover.

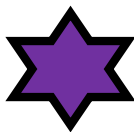

Your child will have a selection of unusual pictures to look. Your child will select a picture and write a sentence about what they can see.

Your child will use everyday language related to money during a role play shop activity.

Your child will use water colour pencils to draw and paint a toy.

Your child will have six mystery bags. They will have to weigh the bags and put them in order from lightest to heaviest.
